A BIBLIOGRAPHY OF ORNITHOLOGY IN ALABAMA

Joanne Stringfellow Jordan

Part II

Editorial Note: Part I appeared in Vol. 16, No. 1.

Golsan, Lewis S. 1922. "A Large Gathering of Kingbirds," Auk, 39:417.

Record of 300 or more individuals of Tyrannus tyrannus on May 4, 1921, near Prattville.

_____. 1922. "White-throated Sparrow Summering in Autauga County, Alabama," Auk, 39:263.

Record of a pair of Zonotrichia albicollis seen near Prattville in June, 1921.

_____. 1923. "Wintering of the Yellow Palm Warbler at Prattville, Alabama," Auk, 40:133.

Species seen in December and January every year since 1913.

_____. 1930. "Records," Oologist, 47:22

_____. 1939. "Three Records from Autauga County, Alabama," Auk, 56:482.

Observations of the European Woodcock, the Swallow-Tailed Kite, and the Black-Headed Grosbeak resulted in the addition of these species to the Alabama Bird List.

_____ and Ernest G. Holt. 1914. "Birds of Autauga and Montgomery Counties, Alabama," Auk, 31:212-35.

Annotated list of 184 species.

_____ and Ernest G. Holt. 1917. "Further Notes on Alabama Birds," Auk, 34:456-57.

Records of ten species from Autauga and Montgomery Counties.

Good, Henry G. 1925. "A Report from Alabama for the Spring of 1925," Wilson Bulletin, 37:103.

Report on bird-banding at Alabama Polytechnic Institute [Auburn University] ; 141 birds banded.

_____ and T. R. Adkins. 1927. "Notes on the Wintering Habits of the White-throated Sparrow (Zonotrichia albicollis)," Wilson Bulletin, 39:75-78.

- _____ and Lloyd G. Webb. 1940. "Spring Foods of the Wild Turkey in Alabama," Alabama Conservation, XII, No. 3:3.
- Analysis of stomach contents of 116 turkeys collected in Alabama provided basis for program of restoration and management of wild turkeys.
- Gooding, Robert. 1961. "Ecology and Population Dynamics of the Wild Turkey," Research Report No. E-3.1-1, Alabama Cooperative Wildlife Research Unit, Auburn, Alabama.
- Evaluates growth of stocked population, summer losses, and survival of wild turkeys.
- Gosse, Philip H. 1859. Letters from Alabama (U. S.) Chiefly Relating to Natural History. London. Pp. xii, 306.
- Original observations on habits of 48 species of birds in Alabama.
- Green, Wyman R. 1940. "Banding of Chimney Swifts (Chaetura pelagica) in the Region of Chattanooga, Tennessee," Bird-banding, 11:37-57.
- Gray, Anderson M. 1940. Winter Foods of the Bobwhite Quail in the Black Belt Soil Province of Alabama. Alabama Department of Conservation, Montgomery, Alabama.
- Griscom, Ludlow and J. T. Nichols. 1920. "A Revision of the Seaside Sparrows," Abstr. Proc. New York Linnaean Society, 32:18-30.
- Contains original description of Passerherbulus maritimus howelli from Dauphin Island, with numerous other records of that race from Alabama, and of Passerbulus maritimus fisheri from Bayou Labatre.
- Hasbrouck, Edwin M. 1891. "The Carolina Paroquet (Conurus carolinensis)," Auk, 8:369-79.
- Quotes the records of this bird in Alabama by Gosse and Brown.
- _____. 1891. "The Present Status of the Ivory-billed Woodpecker (Campephilus principalis)," Auk, 8:174-86.
- Several records of this bird from Alabama.
- _____. 1893. "The Geographical Distribution of the genus Megascops in North America," Auk, 10:250-64.
- Record of Megascops asio from Greensboro.
- Haugen, Arnold O. 1950. "Special Investigation; Report on Alabama's Dove Mortality," Research Report No. 4.1, Alabama Cooperative Wildlife Research Unit, Auburn, Alabama.
- Emergency investigation of dove die-off.
- _____. 1955. "Recognizing Juvenile from Adult Bobwhite Quail," Proceedings of the Southeastern Association of Game and Fish Commissioners Meeting, Daytona Beach, Florida.
- Information stated by author based on a study of Quail in Alabama.

- _____. 1956. "Feathers, the Signs of Age," Highlights of Agricultural Research, III, No. 3.
- Study of feathers reveals age of Quails.
- _____ and Frank W. Fitch, Jr. 1949. "Ecology and Management Studies of the Bobwhite Quail in Alabama," Research Report No. 3, Alabama Cooperative Wildlife Research Unit, Auburn, Alabama.
- _____ and James Keeler. 1951. "Mortality of Mourning Doves from Trichomoniasis in Alabama During 1951," Proceedings of the 17th North American Wildlife Conference, Miami, Florida.
- _____ and Daniel W. Speake. 1956. "Productivity of the Bobwhite Quail in Alabama," Research Report No. 3.1, Alabama Cooperative Wildlife Research Unit, Auburn, Alabama.
- Helton, John, Jr. 1935. "Alabama 1935 Nesting Dates," Oologist, 52:104-05.
- Herbel, M.H. 1922. "A One-legged Cardinal," Bird-Lore, 24:97.
- Habits of Richmondia cardinalis at Citronelle.
- Henry, J. A. 1962. "The Mallard," Alabama Conservation, XXXII, No. 10:12, 15.
- Descriptive report on Mallard in Alabama.
- Hodgson, Adam. 1824. Letters from North America, Written During a Tour in the United States and Canada. Vol. I, II. London.
- Account, in Vol. I, of a journey across Alabama, in which are a few casual references to the birds seen. (This is the first recorded ornithological data from Alabama.)
- Holliman, Daniel C. 1959. "Christmas Bird Count at Tanglewood, Alabama," Audubon Field Notes, 13:178.
- Holt, Ernest G. 1913. "Notes on the Loggerhead Shrike at Barachias, Montgomery County, Alabama," Auk, 30:276-77.
- Account of a Shrike killing a Mockingbird.
- _____. 1918. "Birds and Mulberries," Auk, 35:359-60.
- Record of 19 species of birds feeding on mulberries at Prattville.
- _____. 1919. "Red-bellied Nuthatch (Sitta canadensis) in Alabama," Auk, 36:584.
- Records of Sitta canadensis from Prattville.
- _____. 1920. "Bachman's Warbler Breeding in Alabama," Auk, 37:103-14.
- _____. 1921. "Annotated List of the Avery Bird Collection,"

Museum Paper No. 4, Geological Survey of Alabama, University.
Pp. 142.

List of 216 species chiefly taken near Greensboro, with quotations from Dr. William C. Avery's field notes.

_____. 1924. "Golden Eagle (Aquila chrysaetos) in Alabama,"
Auk, 41:601-02.

An Eagle captured in Autauga County was the fourth record of the species in the state.

_____. 1924. "Phalaropus fulicarius: A New Bird for Alabama,"
Auk, 41:601.

First specimen of the species for the state taken near Montgomery.

_____. 1924. "Redpoll (Acanthis linaria) in Alabama," Auk,
41:482.

Third record of Redpoll in state observed near Prattville.

_____. 1924. "Redstart (Setophaga ruticilla) Breeding in
Alabama," Auk, 41:162-63.

First record of the Redstart breeding in the state.

_____. 1925. "Early Shooting and Some Late Breeding Records
for Alabama," Auk, 42:147-48.

Controversy over hunting season regulations conflicting with
late breeding dates.

_____. 1926. "Nature-wasters and the Sentimentalist," Auk,
43:409-10.

Plea by author for governmental protection of species, such as
Hawk, which was subject to wholesale slaughter.

Howell, Arthur H. 1913. "Descriptions of Two New Birds from Alabama,"
Proc. Washington Biological Society, 26:199-202.

Original descriptions of the Southern Crow (Corvus brachyrhynchos
paulus) and the Alabama Towhee (Pipilo erythrophthalmus
canaster).

_____ and Thomas Z. Atkeson. 1953. "Avocets in Alabama,"
Wilson Bulletin, 65:48.

First Avocet collected in Alabama after observance of the
species for three consecutive autumns in the Tennessee
Valley of North Alabama.

_____. 1953. "Effect of Weather on Spring Bird Migration in
Northern Alabama," Wilson Bulletin, 65:184-95.

Results of a four-year study correlating bird migration and
weather at Birmingham.

_____. 1955. "Christmas Bird Count," Alabama Conservation,
XXVI, No. 4: 10.

Includes data on national 1954 Christmas Counts as well as
specific report on Alabama's 19th (1954) annual count.

_____. 1957. "The Golden Eagle in Alabama," Alabama Conserva-
tion, XXVIII, No. 4: 19.

Report of at least seven sightings of the species during
the winter of 1956-57.

_____. 1958. "Recent Additions to the Avifauna of Alabama,"
Auk, 75:354-57.

Lists recent records of species in Alabama: 16 preserved and
10 better than sight records.

_____. 1959. "Pelicans," Alabama Conservation, XXXI, No. 2: 18.

Only two species of Pelicans found in U.S. and both occur in
Alabama along Gulf Coast Region.

Johnson, Bruce Cameron. 1948. "The Winter Foods of the Bobwhite
Quail of the Limestone Valley's Soil Province of Alabama,"
Master's Thesis, Alabama Polytechnic Institute [Auburn University].

Jones, Elmer Alsbrook. 1938. "The Importance of Certain Woody
Plants as Food for Birds in East Alabama," Master's Thesis,
Alabama Polytechnic Institute [Auburn University].

Jones, Leslie. 1911. "The Robin and Cedar Waxwing," Oologist,
28:77.

Abundance of these species at Birmingham in February of 1911.

Jones, Walter B. 1932. "My Bird Friends," Alabama Game and Fish
News, IV, No. 1: 10-11.

Account of bathing habits of several species at bird bath in
author's yard in Montgomery.

Jordon, C. L. 1892. "Hawks as Garden Protectors," American Field,
37:674.

Red-tailed Hawk captured near McIntosh Bluff.

Keeler, James E. 1952. "Mourning Dove Migration," Alabama
Conservation, XXIV, No. 3: 14.

A 46 month period of trapping and banding 7,552 doves revealed
recoveries ranging from 80 birds within 20 miles of point
of release and 14 from eight neighboring states.

_____. 1952. The Mourning Dove Study. Alabama Department of
Conservation, Montgomery, Alabama. Pp. iv, 73.

_____. 1956. "Alabama Waterfowl Band Recoveries, 1929-1956," Special Report No. 1, Federal Aid in Wildlife Restoration, Alabama Department of Conservation, Montgomery, Alabama.

_____. 1956. "White Ibis Colony," Alabama Conservation, XXVIII, No. 2: 8.

From Southfield Lake, in Baldwin County, first breeding record in Alabama.

_____. 1960. "Bye-bye Coturnix Bird," Alabama Conservation, XXXI, No. 9: 8.

Introduction of Coturnix into Alabama begun in 1956 but halted in 1959 because of apparent inadaptability of Quail and rapidly decreasing numbers.

_____ and Robert W. Skinner. 1962. The Wildlife Collection of the Game and Fish Division. Bulletin No. 6. Alabama Department of Conservation, Montgomery, Alabama.

Information on collection, preservation, and use by the general public of the Alabama Collection with many illustrations devoted to birdlife.

Kirkpatrick, J. M. 1906. "A Move to Protect Alabama Game," American Field, 65:384.

Record of shipment in 1905-1906 of over 500,000 Quail from Alabama to northern and eastern markets.

Kyle, George. 1953. "Housing Project--Waterfowl Style," Alabama Conservation, XXV, No. 3: 4.

Report on progress of waterfowl population of Wheeler National Wildlife Refuge.

Lanman, Charles. 1856. Adventures in the Wilds of the United States and British American Provinces. Vol. I, II (Philadelphia).

Volume II contains chapters on "The Chattahoochee River," "Huntsville," "The Alabama River," "The Tombigbee and Black Warrior Rivers," and references to birds of the regions.

Laudenslager, May Serena. 1953. "The Territorial Range of the Alabama Towhee," Master's Thesis, Alabama Polytechnic Institute [Auburn University].

Lett, Robert Winston. 1946. "The Winter Foods of the Bobwhite Quail of the Piedmont Plateau Soil Province of Alabama," Master's Thesis, Alabama Polytechnic Institute [Auburn University].

Lincoln, Frederick C. 1922. "Trapping Ducks for Banding Purposes," Auk, 39:334.

Record of Anas rubripes from Meltonsville (banded bird liberated at Scugog Lake, Ontario).

_____. 1944. "Chimney Swifts' Winter Home Discovered," Auk, 61:604-09.

Includes record of Chimney Swift banded by H. S. Peters in Opelika, Alabama, on October 3, 1936, and taken the last of November or first of December, 1943, near Lima, Peru.

_____. 1951. "A Set of Twelve Eggs of the Woodcock, Philohela minor," Auk, 65:376.

Lowery, George H., Jr. and Robert J. Newman. 1954. "The Birds of the Gulf of Mexico, in The Gulf of Mexico, Its Origin, Waters, and Marine Life," U.S. Fish and Wildlife Service Bulletin, 89:519-40.

Lueth, Francis X. 1950. "Waterfowl Band Returns," Alabama Conservation, XXII, No. 4-5: 14.

Of over 5,000 Ducks checked from 1947-50 in Mobile delta area, only six wore bands.

Magness, Edgar. 1898. "Shearwater Inland," Osprey, 3:45.

Record of a Sooty Shearwater (Puffinus griseus) taken at Attalla.

Manar, A. T. 1966. "Electrophoretic Analysis of Egg White Proteins of Some Members of the Families Ardeidae and Threskiornithidae," Master's Thesis, Auburn University.

Includes characterization of egg white proteins of the Cattle Egret.

Martin, Larry Littleton. 1965. "A Comparison of Waterfowl Use of Two Different Habitat Types," Master's Thesis, Auburn University.

Martin, Leo M. and Thomas Z. Atkeson, Jr. 1954. "Swimming by Wild Turkey Poults," Wilson Bulletin, 66:271.

Account of two ten-day old turkey poults swimming across a 100 yard wide bay of Little Shoal Creek in Jefferson County, Alabama.

Mason, C. Russell. 1938. "A Warbler Wave of Interest," Auk, 55:282-83.

Immense Warbler migration observed on May 1, 1937, on TVA reservation at Florence. Several species, such as Sycamore Warbler, previously reported as rare or unrecorded.

McAtee, W. L., Thomas D. Burleigh, George H. Lowery, Jr., and Herbert L. Stoddard. 1944. "Eastward Migration Through the Gulf States," Wilson Bulletin, 56:152-60.

McCormach, F. W. 1888. "Orioles as Foster Parents," Oologist, 5:131.

Eggs of Baltimore Oriole hatched by Orchard Oriole.

- _____. 1891-92. "Notes on Colbert County (Ala.) Birds," Leighton, (Ala.) News, 2 (Nos. 3-25): February 1, 1891--January 2, 1892. (Unpaged.)
- List of 156 species, with accounts of their habits and manner of occurrence in the county; also general account of family characteristics, etc.
- _____. 1943. "Nesting of the Prairie Horned Lark in North-western Alabama," Auk, 60:105.
- First breeding record of this species in Alabama.
- _____. 1943. "Nesting of the Southern Robin in Northwestern Alabama," Auk, 60:282.
- Evidence of increasing southward range of this species.
- McDaniel, James. 1959. "Territorial Behavior of the Robin (Turdus migratorius Linnaeus) in Winter," Research Report No. B-1.1-1, Alabama Cooperative Wildlife Research Unit, Auburn, Alabama.
- _____. 1960. "The Behavior of the Robin, Turdus migratorius (Linnaeus), in Auburn, Alabama," Master's Thesis, Auburn University.
- McElhone, Helen Kimberly. (Comp.) 1924. "Christmas Bird Count, Fairhope, Alabama, 1923," Bird-Lore, 26:45.
- McMillan, Neil T. 1938. "Birds and the Wind," Bird-Lore, 40:397-406.
- Observation of effect of wind speed on bird flight with reference to Mobile and Montgomery, Alabama.
- Meanly, Brooke. 1966. "Red-winged Blackbirds Searching Beneath Pine Bark for Insects in Winter," Auk, 83:480-81.
- Group of 14 adult males observed in the Tuskegee National Forest, Macon County, Alabama, in January of 1965.
- Metcalf, John C., et. al. 1951. "Effect of Experimental Burning on Wildlife Habitat and Quail Populations on the North Auburn Area of the Alabama Polytechnic Institute Agricultural Experiment Station," Research Report No. 9, Alabama Cooperative Wildlife Research Unit, Auburn, Alabama.
- Miles, Merriam L. 1964. "First Records of the White-tailed Kite for El Salvador and Alabama," Auk, 81:229.
- First sight record of White-tailed Kite in September of 1962 from the Cahaba River in Dallas County, Alabama.
- Moore, George Crenshaw. 1940. "The Nesting Habits and Juvenile Development of the Mourning Dove in Alabama," Master's Thesis, Alabama Polytechnic Institute [Auburn University].

- _____ and Allen M. Pearson. 1941. The Mourning Dove in Alabama. Alabama Cooperative Wildlife Research Unit. Auburn, Alabama. Pp. 38.
- Norris, J. P. 1890. "A Series of Eggs of the Tufted Titmouse," Ornithologist and Oologist, 15:147-48.
- Records eggs of this bird taken at Leighton.
- _____. 1891. "A Series of Eggs of the Maryland Yellow-throat," Ornithologist and Oologist, 16:150-52.
- Records eggs of this bird taken at Leighton.
- Nunn, Alexander. 1933. "Starling Spreads Into Alabama," Alabama Game and Fish News, IV, No. 7: 11.
- Reports from areas of Alabama, especially Birmingham and Auburn, of increase in Starling Population.
- Nuttall, Thomas. 1832-34. Manual of the Ornithology of the United States and Canada. Vol. I. "The Land Birds," 1832, Cambridge, Massachusetts; Vol. II. "The Water Birds," 1834, Boston, Massachusetts.
- Contains numerous references to birds seen by the author during a trip through Alabama in 1830.
- Oberholser, Harry C. 1908. "A List of the Principal Birds to be Found in Alabama," First Biennial Report, Department of Game and Fish of Alabama, 1908:104-10.
- List of 275 species.
- _____. 1911. "A Revision of the Forms of the Hairy Woodpecker (Dryobates villosus Linnaeus)," Proc. U. S. Nat. Mus., 40:595-621.
- Records of Dryobates v. villosus and D. v. auduboni from Alabama.
- _____. 1912. "A Revision of the Subspecies of the Green Heron (Butorides virescens Linnaeus)," Proc. U.S. Nat. Mus., 42:529-77.
- Records of the Green Heron at Dothan, Montgomery, Stevenson, and Mobile Bay.
- _____. 1913. "A Revision of the Forms of the Great Blue Heron (Ardea herodias Linnaeus)," Proc. U.S. Nat. Mus., 43:531-59.
- Records of Ardea herodias herodias, from Castleberry, and Ardea herodias wardi, from Orange Beach.
- _____. 1914. "A Monograph of the Genus Chordeiles Swainson, Type of a New Family of Goatsuckers," U.S. Nat. Mus. Bulletin, 86:123.
- Records of Chordeiles minor chapmani from various places in Alabama.
